Product Information

MADE IN THE USA
Our products are designed, woven, and finished in the USA, with the following exceptions:

- Bloom, Dahlia, Daisy, Petal, and Rose placemats are made in Taiwan or China
- Mums and Vegetables placemats are made in the USA with imported material

WOVEN WITH TERRASTRAND
We weave with TerraStrand. These extruded yarns are free of phthalates, which are derived from petroleum and used to make plastics soft and pliable. TerraStrand yarns are softened by a compound derived from soybean oil, which results in a 40% reduction in greenhouse gases compared to conventional vinyl.

RECYCLED CONTENT
Our rugs contain a minimum of 18% recycled content. By October 2026, all textiles woven with TerraStrand will contain a minimum of 14% recycled content.

TOWARD A REGENERATIVE FUTURE
In September 2025, we began incorporating the enzymatic technology of Worry Free Plastics into TerraStrand yarns. This innovation accelerates the return to nature of our products at their end-of-life, without leaving microplastics behind.

STRENGTHENED BY MICROBAN
Our woven textiles are strengthened at the polymer level by Microban® antimicrobial protection, which works continuously for the lifetime of the product to inhibit the growth of stain- and odor-causing bacteria, mold, and mildew.

CERTIFIED BY UL GREENGUARD
Our woven textiles have received UL Greenguard certification for indoor air quality. Based on rigorous testing standards, this trusted mark enables people to make informed, healthier choices. All certified products are subject to a review of the manufacturing process and routine testing to demonstrate minimal impact on the indoor environment.

PROTECTING ORIGINAL DESIGN ACROSS NORTH AMERICA.
Chilewich is pleased to participate in Be Original Americas: an association of like-minded brands, consumers, design professionals, educators, and institutions that recognize the importance of original design and are committed to the protection of its consumers and authors.

We are passionate about offering something new, whether it's a novel application, an innovative process, a repurposed technique, or a fresh juxtaposition of textures and colors.

Care Instructions

Keeping Chilewich products in peak condition is easy. Unlike many table mats and rugs, they can be washed with water and bio-degradable detergents, helping to reduce the energy and costs associated with laundering while maintaining a sleek, elegant look.

Table Mats	Simply wipe clean with soap, water, and sponge. Air dry. Do not iron. Do not machine wash.
Rugs	Best suited to dry surfaces. Vacuum or mop face of mat to clean. Air dry thoroughly. Occasionally lift and air out.
Shag Mats	Vacuum, shake out, or hose off to clean. Hang to dry. Occasionally lift and air out.
